FAQ'S

We are going on holiday and my child will miss a lot of lessons. Can the termly fee be discounted?

Unfortunately, no. We would love to be more flexible on this, but tutors still need to be paid, even if your child isn't in the lesson, therefore the termly fee will remain the same. We can however, offer your child up to 2 Monster Make Ups per school term. You can find out more about Monster Make Ups [here](#).

My child learns on a Monday/Friday. What happens when a lesson is missed due to a public holiday on these days?

The lesson fee will still remain the same, however one of the following will happen
a) We will firstly try to find an alternative day for lessons to avoid a clash that week
b) If we are unable to make "a" work, we will offer your child a **Monster Make Up!**

Do we need to pay GST on top of this set rate?

No, this set fee is all inclusive.

What happens when lessons are cancelled due to a tutor being absent?

In this case, we will credit your following termly bill the appropriate amount.

We are away for a portion of the term. Can we pull out of lessons and restart the following term?

Yes! You can definitely do this if you give us 2 weeks notice of cancellation. The only issue that we will need to fill your child's lesson spot while they are away. We can never guarantee that there will be an available lesson time when you get back as we have large waiting lists in most of our schools!

Can we pay for our lesson fees weekly?

No, payment for lessons must be made in full when the invoice is received. It is due within 2 weeks of being sent. We understand this may not be convenient and hope to offer more payment options in the near future!

How and when will I be invoiced?

You will receive an invoice via email prior to the start of the school term. Usually, the invoices are sent out around 2 weeks before the beginning of the new term's lessons.
